**MORNING PRAYER - ST.MARY'S CHURCH AT NORTON** Morning Prayer at St.Mary's was previously led by the Revd Peter Thomas at 8.00 am on a Tuesday morning which I had attended these past two years.

Since Peter's retirement, each Parish was asked to lead their own Morning Prayer at a chosen day and time. I have offered to lead Prayers here at Norton Church at 9.30am on a Tuesday morning and would be pleased to see any of you there. Our Prayer time together in the Church is just a half an hour in duration. We read passages from the Bible and confess our sins in penitence and faith. We then pray for those known to us who are ill or bereaved. For this period of the Interregnum, we will also collectively pray for a new Priest to join us here in this large Benefice of seven villages, who will lead us in prayer, in our worship of thanksgiving to God and encourage us all to maintain our Christian way of life. We end our Morning Prayer with the Lord's Prayer. It is a time of Faith, Thanksgiving and Peace to begin the busy day ahead of us whatever we may be doing. Mary Brown, Lay Pastoral Group.

**SCHOOL NEWS** What a fantastic Christmas and New Year for the FONS team. The Christmas Fair raised a staggering £1420. This was only possible because of our wonderful volunteers and generously donated raffle prizes. A big thank you for all the help from our village and school community - it's much appreciated. The iPads paid for by the FONS activities are now being used in school and the children are really enjoying and benefitting from them.

In the coming months the children are looking forward to a Family Bingo evening, having pancakes before school to celebrate Shrove Tuesday as well as a children's Film Night. Thank you for your continued support from all at the FONS.

**FNC WINE CLUB** The results of the December and January FNC Wine Draw have been delayed due to several calendar conflicts and a hectic schedule for the Chairman. We apologise for this and will endeavour to publish the full results in the next edition of the newsletter.

## PARISH COUNCIL REPORT FOR JANUARY 2019

**Planning:** The Parish Council have received notification on the following applications:  
18/03680/HOU Hill Close House, Little Norton – Construction of a single storey link extension.

The Parish Council had no objections to this. APPROVED

18/03144/LBC Merle Cottage, Great Street – Installation of two slim metal reveal covers to wall opening at the gate entrance to the garden to accommodate demountable flood barriers when necessary.

The Parish Council had no objections to this. APPROVED

The Parish Council had two planning applications to make their observations on:  
18/04025/FUL – Mr & Mrs Rastall, Land Adj. to No. 7 Little Street. The erection of a dwelling and a garage. The Parish Council had no objections to this application.  
18/03771/FUL – Marshwood Homes Ltd, Land part of former garden centre site, New Road. The erection of 5 dwellings. The Parish Council discussed this at great length at the Parish Council meeting held on the 14th January.

2 Parish Councillors had no objections to this

5 Parish Councillors OBJECTED to this application

MAJORITY - OBJECTION

THE REASONS FOR THIS ARE:

- This is a 25% increase to the original planning application, and they are very concerned about the increases on the development.
- There would be a 25% increase in traffic leaving this development on to New Road, which is already busy and congested and close to both the school entrance and village hall.
- They feel very strongly this should have been applied for in the first application, when there was a public consultation, and not now as a backdoor application.
- The area where the developer would like to build these 5 houses is on a 'green' area of the development. This should remain a 'green' open space, as originally agreed.
- The village has suffered with flooding in the last 3 years. They strongly feel that before adding another 5 houses to this development, the new flood prevention measures that have already been installed, need to be put to the test to see if they are adequate first.
- Also concern as to why there is continuation shown on the road at the end of the proposed 5 houses?

**School Road Markings:** The yellow zigzag lines outside the entrance to the school have now been extended. The purpose of the yellow and white zig zag road markings is to show that the area must be kept clear to allow an unrestricted view for approaching drivers and riders or children wanting to cross the road. Due to some people still parking on the lines, Highways have decided that they have applied to have a legal enforcement order on them. Signs will be placed near the yellow zig zag lines to allow a Traffic Regulation Order (TRO) to be effective and will provide the local council with powers to issue a Penalty Charge Notice (PCN) by use of Civil Enforcement Officers.

Highways have also put up the notifications of their intent to paint yellow lines on the corners of both the following junctions - New Road to Great Street and Great Street to Higher Street. Further reports of dangerous parking on these junctions were received at the January Parish Council meeting.

**Village Website:** We have been very lucky over the last few years, that Mike Orchard has provided and maintained a website for the village. However, the software is now out of date and no longer supported by the suppliers. To continue with the website means purchasing a new program and designing a new site. The village hall, church, shop and pub have all now got their own websites. It was felt that it was not worth purchasing new software and designing a new site and therefore the village website will cease. After doing studies on Google Analytics, it showed that the Parish Council page had very few hits. The Parish Clerk will look into whether The Parish Council legally have to have a website and subsequent costs if they do.

The next Parish Council meeting will take place on **Monday 11th February 2019 at 7.30pm** in the **Committee Room** in the **Village Hall**. Members of the general public are more than welcome to attend. Louise Brooks (Clerk to Norton sub Hamdon Parish Council) – [nortonpcclerk@outlook.com](mailto:nortonpcclerk@outlook.com) or 881882

We all know that the NHS is under great strain in the winter and it can be hard to get a Doctor's appointment. Consider whether you could get advice from your Local Pharmacy where you will not need an appointment but there are private rooms to support advice and diagnosis.

Pharmacy teams can give advice about a range of common conditions and minor injuries such as aches and pains, sore throats, coughs, colds, flu, earache and skin rashes. They also provide the morning after pill and advice on pregnancy testing. They will advise on over the counter medicines as well. [www.nhs.uk/live-well/healthy-body/how-your-pharmacist-can-help](http://www.nhs.uk/live-well/healthy-body/how-your-pharmacist-can-help).

Last month we gave advice on keeping warm and going out during the winter months. As an addition to this, check your local cinemas for autism friendly showings. Yeovil is the last Sunday of the month at 10.00am

Surviving Winter grants are available for older people living in Somerset, who are unable to adequately heat their homes. If you are struggling to afford to heat your home this winter contact your Village Agent for more information on 07968521746 or [cath@somersetrc.org.uk](mailto:cath@somersetrc.org.uk). I support unpaid carers in South East Somerset to connect them with community resources, support groups and personal support around benefits and allowances. We also have a team of Community Agents and Village Agents in South Somerset. They help to bridge the gap between isolated, excluded, vulnerable and lonely individuals and statutory and/or voluntary organisations which offer specific solutions to identified needs. We can offer advice and support to find local groups and activities available in your community. Please visit [www.somersetrc.org.uk](http://www.somersetrc.org.uk) and [www.somersetcarers.org](http://www.somersetcarers.org) or call me to find out who can advise you.

**THIS MONTH** A Valentine Message? St Valentine is one of those 'unknown' saints whose 'Day' is often observed. There was a priest in Rome and a Bishop, both martyred in the 3rd century, but with no credible connection with the custom of anonymously sending cards and presents on 14th February. A link has even been suggested with an old and probably pagan idea that birds pair on this date! Yet there is a place in our world today for love to be expressed. The hand of love, known or unknown, is appreciated and welcomed by those who receive it. There are boundless opportunities to extend the hand of love to a neighbour and to those who feel lonely, unloved or in any kind of need. We become purveyors of joy and creators of a better world when we fill our lives with Valentine-type deeds. Richard Terrell
