NORTON EVENTS AND NEWS

NORTON SUB HAMDON VILLAGE HALL Could YOU be our New Booking Secretary? The hall is a very popular venue, which is not surprising given the beautiful location and views plus the internal space, parking, access and superb kitchen! We are fortunate to have many regular bookings as well as single event hirers, who come from the village and surrounding areas. The hall is used for a wide variety of events such as Birthday Parties and Weddings to Keep Fit and the Choir to name just a few. The role of Booking Secretary is vital to the smooth running of the hall and we **urgently** need someone to volunteer as our Bookings Secretary as of July. We are looking for someone with a genuine pride for our Village Hall, to co-ordinate enquiries and arrange viewings for future events. Basic computer and organisational skills are also needed, however we will give our full support to the person who takes up this role. You will join a small dedicated team who meet monthly, on Monday evenings, to discuss the general running of the hall and make plans for its continuing success. If you are interested in volunteering as our Booking Secretary then we would love to hear from you, please telephone our Chairperson, Trevor Harris on 01935 881718 or email trevorharris55@btinternet.com.

LADIES GROUP A Tudor Kitchen maid, was our speaker for this months talk. Kay took us back to the 1500s and illustrated her talk with items of clothing worn during that period, and even had some of our members modelling some rather natty headgear. She made history much more enjoyable than I remembered from my schooldays! Our Annual Garden party will take place on **Tuesday 24th July from 5.00pm** and this year Jayne English will host at Flax Barn, Broadmead Lane. Please remember to bring along your cutlery and a wineglass, and of course a plate of food to share. We hope to hold a raffle so any contributions will be much appreciated. Lets hope for fine weather, and a very enjoyable evening. There are 2 outings coming up before the summer holidays, a trip to Brownsea Island ,and another to 'Sculpture by the Lakes'. We take a break in August, and our next meeting will be on **Tuesday 18th September**. Full details will be given in the next newsletter. Sue Lowder 881805

JULY CHURCH SERVICES IN NORTON

Sunday 1	11.00	All Age Service
Sunday 8	9.30am	Communion
Sunday 15	6.30pm	Evensong
Sunday 22	8.00am	Communion

All Age Service Norton Church has a bi-monthly Service for all ages. An informal service, suitable for all, is held on the first Sunday of odd months at 11.00am and usually lasts no more than half an hour. There are familiar hymns/songs, a lively presentation of the gospel for the day, with dramatized reading and prayers. Those who are new to the Faith or long established Christians find inspiration and encouragement from this Service. The next All Age Worship is on **Sunday 1st July** when the theme will be 'The woman who touched the cloak of Jesus'.

Benefice Service On **Sunday 29th July** there will be a special single service for the whole Benefice at Montacute at 10.00am - when our worship will be led by the Benefice Choir. An opportunity for members of all 7 parishes to worship together. The speaker will be Rev Deborah Perreau

Norton Tent Service – Songs of Praise – 6.30pm 19th August Once again we will be singing our favourite hymns and songs to conclude the Norton and Chiselborough Flower Show weekend. If you have any hymns or songs you would like us to include please e-mail the title to me PThomas5@aol.com (or drop a note to me at home or in church). We need to have these by **1st August**

HELP US TO GET HOME! For some time now, the 1st Fosseyway Scout Troop have not met in Martock (though the Beaver Colony and the Cub Pack are still there). A shortage of leaders means that for the time being the Scouts (boys and girls aged between 10½ and 14½) have joined with the Troop in South Petherton. Between them, the two Scout Groups cover quite a wide area which includes Stoke and Norton Sub Hamdon, Shepton Beauchamp and Kingsbury Episcopi.

Tim Burch, the Group Scout Leader for both Groups, explained 'We still have a busy programme – everything from camping to scuba diving, or climbing to canoeing and rafting, but the joint Troop is close to its maximum size, and we are struggling to find room for the older Cubs when they reach Scouting age. We have a short-term solution in place, but the

real answer is to move Fosseyway back to its proper home in Martock – something that can only happen once some more Leaders have been found, both at Martock and at Petherton.'

'We urgently need more leaders and non-uniform helpers,' Tim added. 'All they need is an enthusiasm, a willingness to work with young people and some spare time. They don't need any special skills as there is a full free training programme, and job-sharing is an option. Anyone interested can email me for more information at fosseywayscouts@porcupine.org.uk.'

THANK YOU Jenny Byham and her family would like to thank the many people in the village for all their help and support over the past difficult weeks while Geoff was ill. We would also like to thank all the people who attended his funeral and helped to make it such a great celebration of his life. Jenny, Sarah and Lizzie

ANTHONY STEPHEN CARR 1939-2018. During the last 18 months both my parents, Tony & Sylvia Carr, visited Julian & me here in Norton and fell in love with the Village and everyone they met. My family are devastated to lose daddy but feel blessed that he didn't have to suffer. A true gentleman with the biggest laugh and smiliest blue eyes who was always so proud of his family and simply adored my mummy. I've been overwhelmed with the kindness and support from everyone in the village - my new Norton Family - thank you so much - it's helped enormously. Sara Vann

NEW ARRIVALS We welcome Fred and Joanne Crome who have moved in to Hamdon House, Judy & David Dennett who have recently moved into 2 Blackspur Cottages in Higher St. and Simon and Jenny and their son Owen who have moved into Ambleside Cottage in Rectory Lane. We hope they will all be very happy in our thriving community.

THIS MONTH St Swithin's Day - Swithin was a Saxon Bishop of Winchester (853-65) and was famous for charitable gifts and building churches. Legend says that as he lay on his deathbed, he asked to be buried out of doors, where he would be trodden on and rained on. For nine years his wishes were followed until the monks of Winchester moved his remains, on 15th July 971, to a splendid shrine inside the cathedral, during which there was a heavy rain storm supposedly signifying Swithin's disapproval. Folklore declares that if it rains on St Swithin's Day it will rain for the next forty days and a fine 15th July will be followed by forty days of fine weather. But the Met Office would disprove this as a myth! Richard Terrell

CHRISTIAN AID. A big thank you to all who supported the coffee morning in May for Christian Aid Week and donated at the church. A total of £482 was raised. Bill Caswell.

PARISH COUNCIL REPORT FOR JULY

NEW EMAIL ADDRESS FOR THE CLERK: The Clerk has a new email address: nortonpcclerk@outlook.com

Planning: The Parish Council received two planning applications to make their observations on for this month: Applications for consideration.

18/01097/FUL – Bridge House, Little Street. Erection of a wall (part retrospective) – No Objection

18/01353/FUL – Lynfield, New Road - Replacement roof structure to existing flat roof extension. No objection

They have received notification of the following:

17/04124/FUL - Land Opposite Tinkabee Cottage, Little Norton, Norton Sub Hamdon, Stoke Sub Hamdon, Somerset, - NOTIFICATION OF APPEAL

The Parish Council also received notification on the following previous planning applications that were discussed at a previous meeting:

18/01119/FUL – Arks Edge, Higher Street. The erection of a replacement conservatory. The Parish Council had no objections to this. APPROVED

18/01152/FUL – Cartbridge, Little Street. Erection of a 6 bay garage: APPROVED

DEFIBRILLATOR TRAINING SESSION: The Parish Council is looking into holding a FREE training session for village residents on how to use a defibrillator. If there is enough interest, it will probably be held in August. There will be a limited number of 16 spaces on the course, so it would be a first come first served basis. If you would be interested in attending then please let me know by either emailing me at: nortonpcclerk@outlook.com or Tel: 881882 - Thank you.

****PLEASE SLOW DOWN**:** Once again, we have received reports of speeding drivers in both New Road and Great Street. These are both 30 mph areas and even that speed is really too fast for a village of this size. The Police have been notified and will be patrolling. So, please, before there is a serious accident, drop your speed and drive with more care and attention. Several cars have already lost wing mirrors. PLEASE SLOW DOWN!

Parking of Cars at the entrance to Higher Street from Great Street and Great Street to New Road Junctions: The junction of Higher Street to Great Street has once again become very dangerous with cars being parked right on the junction. This is making it completely blind for people trying to exit from Higher Street onto Great Street. Cars are also being parked opposite the junction entrance to Higher Street, making this even more treacherous. This is a fast bit of road and there could soon be a nasty accident. Likewise, the junction of New Road to Great Street is also very dangerous with people parking right on the junction and on both sides of the road. Please park away from the junctions and on one side of the road only.

The legal requirement states: DO NOT park your vehicle or trailer on the road where it would endanger, inconvenience or obstruct pedestrians or other road users. DO NOT stop or park your vehicle opposite OR within 10 metres (32 feet) of a junction. The police have been notified and will be taking action.

The next Parish Council meeting will take place on **Monday 9th July at 7.30pm** in the **Committee Room in the Village Hall**. Members of the general public are more than welcome to attend. Louise Brooks (Clerk to Norton sub Hamdon Parish Council) – nortonpcclerk@outlook.com 881882

VILLAGE AGENT UPDATE I am writing in beautiful sunshine and I do hope that this is set to continue. I remember this time last year when it was very hot, I learned that medication can get over heated. Liquids especially, can lose their effectiveness if left in a very hot place.

So can humans! Don't forget to keep drinking water as dehydration is an easy thing to fall victim to. Sometimes it makes you feel groggy and "headachey" as your body needs water to complete its every day jobs such as thinking and digesting your meal. Left unattended, it can make you very ill.

At this point I send out my empathy to hay fever sufferers. The pollen levels have been very high this year.

Another victim of the weather it seems, could be your heating oil, if you are a village dweller like me. There have been recent reports of domestic heating and farm diesel being stolen. The thieves are using the general noise and mayhem of our big summer storms as cover. Just to make matters worse, when they have filled their boots (or perhaps tanks), they have left the severed oil pipes pouring oil into the ground, polluting and making a case for the environment agency to visit.

The sun seems also to have brought out a few suspicious looking people. I have received a few reports of strange loitering in the area. If you are worried, don't hesitate to call 101. It is the quickest way to get hold of the PCSO's on duty who will try to drive through and monitor suspicious situations. Gardens are packed with lovely summer equipment at the moment. Very tempting....

I haven't been able to visit many of my lovely coffee mornings of late as I have been very busy attending to clients. I would like to send my best wishes to all and hope to see you soon. I am still contactable on my phone or email and I will return your call as soon as I can. It was great to catch up with many of you at the annual parish meetings that I have been to throughout May and hear about all the exciting social groups in our villages.

Not sure where to turn? Village Agents are a charity that work with individuals and social groups to give confidential support and advice. We can enable people to be more independent in their home, manage personal finances, care for family members and advise on just about anything! You can find Cath at local coffee mornings and events. Call or email me. cath@somersetccc.org.uk 07968521746

RAFT Update At 'Music in the Meadow' on a sunny Sunday afternoon in Hinton St George Ricky Romain and accompanist and folk group Teasing the Cat performed to a very receptive audience. Thanks both to the musicians giving their services free, and to the generosity of the audience, Refugee Support group, South Somerset raised over £800 for refugees needing practical and emotional support in Europe.
