## NORTON EVENTS AND NEWS

**LIBRARY MOBILE VAN IN NORTON** The van comes and parks by Pippins in Higher Street each month from 3.25 until 3.45pm – the next time will be Tuesday 27 August.

**Church Flag** The Union Flag will be flown from the Church tower on Saturday 18th August for Flower Show Day.

**READING ROOM NEWS:** Amanda's Cafe has now opened and we hope you find a moment to look at the flyer included with this Newsletter which introduces Amanda, her culinary past and examples of her menus. Of note is that the Cafe is also now open on **Saturday** as well as **Wednesday, Thursday and Friday, from 9am to 4pm**. You may already have had a chance to pop in and sample the delights of Amanda's cooking, but if not, why don't you treat yourself? When you do go in, you will immediately notice the kitchen has had a makeover. The SSDC Environmental Health Officer required some improvements before the Cafe could re-open, so the old single sink unit has been replaced with a new stainless steel double sink, a new hand washing sink had to be purchased and wipeable hygiene wall boards installed. All the changes now make the kitchen fit for purpose.

We are extremely grateful to Peter Callaghan and Brian Shrubsole, who together with Amanda and her friend David, have spent the majority of the past two and a half weeks stripping out the old kitchen and installing the hygiene boards – no easy task. Thanks also go to Peter Willsher for his electrical expertise, to Andy Holm and Will, who have kindly given their time in fitting the new water heater and other plumbing works required. All the above have had plenty of support from Celia Dunn (our delightful cleaner) who has had her work cut out with tidying up and the moving of furniture. A word of thanks also goes to those who have supplied regular refreshment to the volunteers during the recent hot weather. None of the above would have been possible without a generous grant from Norton sub Hamdon Parish Council, for which we are very grateful, to three Villagers who have anonymously given us short term 'interest free' loans and the above mentioned Volunteers who have saved the Trustees the cost of employing a firm of builders.

Finally, special thanks must go to Ian Murray, who has designed the new logo, thus giving Amanda's Cafe a brand new image for all the signage and her marketing material. We are extremely lucky to have so many people in the Village who are willing to support the Reading Room and we wish Amanda the best of luck in her new venture. We hope to see you there soon. Thank you. Tricia Walton, Secretary.

**LADIES GROUP** Our annual garden party was once again bathed in warm sunshine. The food provided by our members was, as usual, amazing and plentiful - thank you all so much. **FRIENDS OF NORTON CHURCH - 2019 PULMAN LECTURE Friday 27th September 7:00pm for 7:30pm in St Mary the Virgin church, Norton-sub-Hamdon.** The Reverend James Pulman was vicar of Norton for many years and, in recognition of the wide and full contribution he made to the village and the community, the Friends of Norton Church aim to provide a talk each year on a suitable subject in the church. This year the Committee are seeking to arrange a talk by Jill Channer MA FSA FRSA IHBC and Steve Clare ACR FMGP on: "The Medieval Glass of Norton Church" The proposed speakers are experts in their field and are familiar with the medieval traceries in our church. These date back to the 15th century and have been described as "...echoes of a glorious past". Confirmation of the date and time is awaited from the speakers, but in anticipation, this date is provided now for your diaries. Confirmation of the event and further details will follow in the September edition. All proceeds from the event will be used to maintain and preserve the fabric of Norton church.

**HAMSTONELIVE- OUR FIRST YEAR** Many thanks to you all for your help and support in making the first year of Hamstonelive a success - particularly for staying with us when snow postponed our first event. We had two amazing acts with D'Click from Zaragoza ( we squeezed a 5 m chinese pole into the VH) and Bowjangles who were not only classical musicians but danced and sang while they played. We were pleased to raise £545.74 for the village Hall and the feedback was very positive with lots of comments such as 'amazing', 'brilliant', and 'more please' There will be more in 2020 with two dates for your diary; **6th Feb 2020** – WoR – a 5 piece band from Flanders with rave reviews from their tour this year, - **21st March 2020** – John Osborne with 'John Peels Shed' – a homage to the late great John Peel and direct from Radio 4 and Glastonbury. We look forward to seeing you in 2020 - watch this space for more info.

**WILL YOU OPEN YOUR GARDEN?** Next year, as part of the 2020 Norton Festival, it is hoped to have three Sundays with up to six Gardens Open each afternoon and one of the gardens serving Cream Teas. The Organisers are looking for owners of gardens, large or small and of any type, who will open their garden to the public from **2pm to 6pm** on either **Sunday 17th May, Sunday 21st June or Sunday 19th July.**

If you would like to take part please would you let us know now so that the Festival may further its plans and you can give whatever thought you wish to your planning. Please send your initial expression of interest, with preferred date, to:- The Festival Coordinator, The Rev Richard Terrell, Meadowcroft, 2, Hamdon View, Norton sub Hamdon, STOKE SUB HAMDON, TA14 6SE. Email: [richard.terrell@homecall.co.uk](mailto:richard.terrell@homecall.co.uk)

**NEW ARRIVALS IN NORTON** We welcome Obaid Sangani and fiancée Alice Hobbs to Broadmead Lane – we hope they will be very happy in our wonderful community. They have said that they like reading the Norton Newsletter and are enjoying settling into the village and have been welcomed by the lovely neighbours they have met.

**A KIND THOUGHT** Many thanks to the kind person who left half a bottle of sunflower oil (which I needed urgently) on my doorstep. I would be pleased if the mystery good neighbour could make themselves known so I can say thank you and return the oil. The cake has been made! I look forward to hearing from ...?. Sue Westwood 'Hobsons'

**PHILIP ANTONY RILEY: 25th October 1973 – 18th July 2019** We are very sad to announce the death of Philip after a brave battle against Hodgkin Lymphoma. Whilst living at home at Peacehaven he was a great supporter of the "Norton Movie Nights" and Flower Show, giving technical support wherever possible. Service of Thanksgiving will take place at the **Church of St Mary the Virgin, Norton-sub-Hamdon, on Tuesday 6th August at 12noon** followed by burial in the churchyard and afterwards at the Lord Nelson.

**FRIENDS OF NORTON CHURCH WINE CLUB** Draw for July 2019 Main Draw Mary Morgan (2), Mary Batstone (2), Roger Hardisty (2), Sara Vann, Barry Eastley and J Pond. To join the FNC Wine Club please contact Jonathan Binns on 01935 881063

**SILENT THANKS** Many people work silently behind the scenes. We often take what they do for granted and fail to express our thanks. Annual Meetings are often used to express appreciation but often it doesn't reach the recipients. So perhaps we ought sometimes to pause and acknowledge those who, in our church and community, are the 'unsung' heroes helping everything to run smoothly. This must include people such as those who edit and maintain websites and

publications; churchyard mowers; people who voluntarily maintain and tidy areas of our community; musicians supporting our church worship (Sunday by Sunday and on special occasions); bell ringers; fundraisers and organisers of many kinds. Without the contribution of these and many more our community would be the poorer. So we say 'thank you' to everyone who goes the extra mile and contributes to the greater good of other people, places and organisations.

**NORTON VILLAGE HALL.** Can anyone help us with Temporary Storage facilities please. As most of you know, we are lucky enough to have a Youth Football Team, using our changing rooms, which is brilliant! but the new football season is creeping up on us quickly and, while unused, the changing rooms have been used for storing items for the next Jumble Sale on October 5th. We have boxes, bags etc that need to be rehomed for a few months. If anyone can help, could you please let Jennie Harris know asap. Telephone 01935 881718, or see Lindsay or Sara in the Post Office. Many thanks. Jennie Harris. for Norton Village Hall Committee.

**THIS MONTH ... good heavens!** It hardly seems more than yesterday yet it was fifty years ago (on Sunday 20th July 1969) that Neil Armstrong took that 'giant leap for mankind' and walked on the moon. We thought the universe had become ours to conquer but with the passing of time we are simply more aware of its vastness. As we look to the night sky we are reminded of our smallness. It is an incredible sensation to try to comprehend what a huge universe it is. With the naked eye or a pair of binoculars we see galaxies so far away that their light, taking millions of years to reach us, set off even before humans walked the earth. Good heavens, we exclaim, this can be no human creation and we start to understand how people believe and talk about a 'God of Creation'

## **PARISH COUNCIL REPORT FOR JULY 2019**

**Planning:** The Parish Council had one planning application to make their observations on this month: 19/01385/LBC - The Orangery Great Street - Removal of C20th internal partitions and replacement of modern internal doors and single modern external door – The Parish Council had no objections.

**Grant request from the Reading Room:** The Parish Council received a request for a grant towards the following work that is required at the Reading Room – move the hand wash sink, replace the main sink with a double sink and drainer, and replacing the shelving with hygienic stainless steel. In addition, the current water heater needs replacing with a more efficient /modern one. The Parish Council decided to grant £250.00 towards the costs.

**Drone Flying:** The Parish Council have now received complaints from several residents in the village, regarding the flying of a drone over their houses and gardens. This is actually an intrusion of peoples' privacy. Consider your surroundings. If you are recording images beyond your home, a drone may intrude on the privacy of others where they expect their privacy to be respected (such as in their back garden). It is unlikely that you would want a drone to be hovering outside your window so please be considerate to others and don't hover outside theirs. If we receive further complaints, then we will have to report this matter to the Police. The next Parish Council meeting will take place on **Monday 9th September at 7.30pm** in the **Committee Room** in the **Village Hall**. Members of the general public are more than welcome to attend. A reminder that there is no Parish Council meeting in August. Louise Brooks (Clerk to Norton sub Hamdon Parish Council) [nortonpcclerk@outlook.com](mailto:nortonpcclerk@outlook.com)

**ARK AT EGWOOD CIC** Volunteer Evening and Open Day We are really excited to announce that we have just received planning consent from South Somerset District Council. Over the next few weeks we will be preparing the site to formally open our doors in September and we would love our local community to become involved. ARK at Egwood CIC is a not for profit organisation, set up as a therapeutic land-based day provision for adults and young people, where new skills can be learnt such as animal husbandry, horticulture (flower and vegetable production), hedge-laying, dry stone walling, arts activities etc. When we get our first produce, we will start to prepare and serve community lunches in our local village halls and we hope to evolve to become an integral and valued part of our community. We will also offer therapeutic services including counselling and nature and equine facilitated therapy and as we get established hope to expand this area further. Hence ARK will be a safe space to overcome anxiety, stress and generally improve the health and well being of both those using our service and those volunteering with us. Over the next few weeks, we shall need to re-furbish our bus and boat, build a log cabin, set up our polytunnel, establish a wildlife pond, install a track and parking and start to set up the growing areas. We are therefore looking for volunteers! We are looking for a range of different skills, from administration and marketing to woodwork and growing skills ....but enthusiasm is just as important to us! If you think you would like to help (either for the set-up phase, or on an ongoing basis), we are holding a Volunteers' Evening at **Egwood House Field, Egwood, Merriott TA16 5QN** on **Thursday 15th August 6pm-8pm** If you would just like to come and have a look around, we shall be also holding an Open Day **Saturday 7th September 11am until 3pm** For more information, please email [office@arkategwood.com](mailto:office@arkategwood.com) Visit our website: [www.arkategwood.com](http://www.arkategwood.com) Call Nigel on: 07974658782 Follow us on Twitter, Facebook and Instagram for the latest developments.

**NEWS FROM YOUR VILLAGE AGENT** I was very honoured to attend the Yeovil Chamber of Commerce meeting with Sue Mountstevens the Somerset Police and Crime Commissioner and Sharon Baker the Chief Inspector for Yeovil. Sue explained how the charge on our council tax bills has risen and this has directly paid for an extra 100 police officers. She is adamant that the police are to be part of our community and doesn't want them to be sitting in offices when they could be visible. To this extent, our council tax money has been spent on providing upgraded equipment such as phones and laptops so that your officer can sit in a public space such as a coffee shop to complete their admin, rather than driving back to the station. This means they are not wasting time and petrol travelling, and are visible in the community. She encourages us all to go and chat and get to know our local police constables and PCSO's - they are there to support us and be a part of the local community. Sue has also employed mental health nurses with access to medical records to support phone calls to the 101 non-emergency number so people in distress can be supported by a network of family, medication and mental health support services. In turn this should reduce the numbers of mentally ill people being put into cells and through the criminal justice system when they need medical support. The Avon and Somerset Constabulary 4 priorities are : 1) To protect the most vulnerable from harm, 2) Strengthen and improve local policing teams, 3) To ensure Avon and Somerset Constabulary have the right people, equipment and culture 4) To work together effectively with other police forces and partner agencies to provide better services to local people. Our Village Carers Community Agents all have great relationships with and work closely with our local police teams.

She also spoke about the need for volunteers. She reinforced the fact that the police are the citizens and the citizens are the police. We need to work as a team to reduce crime. Sharon Baker, our Chief Inspector for Yeovil would love to see growth in volunteers in: An increase in Specials Police (15 hours a month) who will be trained alongside other police officers. More people shadowing a Police Officer. She stated that you are able to join the police for a shift and experience firsthand what the police do. Just fill out the online form. You could join as a speed watch volunteer or join the independent residents panel to monitor people's experience of the police; discuss the use of tasers and stop and search techniques or visit custody units to take views from detainees on their experience. One thing she stated very clearly is that Yeovil, and Somerset in general, are low crime areas and that they are working hard to keep it that way with investment into preventative long term solutions to crime. It was a fascinating meeting and I hope we can help facilitate what I have learnt into the community. Other News: Did you know our latest newsletter is out now for the Somerset Carers?
