**23/1975/a Update on allotments – banking, availability, outstanding invoices, rent payments?**

Cllr. Matraves had attempted to make contact with Cllr. Holt regarding the running of the allotments and setting up of the new bank account; however he reported that he had not received any correspondence back. He had spoken to the MOP who is managing the allotments. Cllr. Matraves will now get the books and files from Cllr Holt and set up the bank account and sort the transfer of funds from the old bank account himself. The Chairman thanked him and reiterated the importance that this needed completing ASAP as invoices were now outstanding.

The current vacancy is being advertised with SCC and on the notice board. The Clerk informed the Parish Council that all the correct procedures were being carried out and if no one had come forward to request an election the Parish Council would then be able to co-opt. They had someone who was interested to join. Co-option would take place at the November meeting.

**Action: Clerk**

**23/1975/d** Tree for Prue

The Chairman put forward an idea for planting a tree in the recreation field in Prue's memory. The Chair had spoken to Prue's daughter at the memorial service who had thought it a lovely idea. It was agreed that a Cox's orange pippin would be purchased, a fruit that Prue loved. A date will be agreed for the planting with Prue's family present. The Chairman also discussed the tree that was planted in Richard Middleton's memory. The tree doesn't look very healthy and it was also decided to buy an eating cherry tree to plant as well in case this tree didn't survive.

**Action: Clerk**

**23/1975/e** Mobilus repairs

The Clerk explained that repairs were required to the Mobilus. A bolt had sheared off one of the tyre seats, which had now been fixed by Play UK (Playgrounds) Ltd. This was the company who installed all the new play equipment in last year, who very kindly came out and repaired the damage FOC.

However, both tyres have perished and split and therefore need replacing. The Clerk explained that due to the age of the piece of equipment (circa 2000) they were currently struggling to find the correct part from Hags, the manufacturer. The Clerk hoped to have a price at the next meeting. She had been assured that the Mobilus is fit for use for the time being.
